

## Ages 2-5

### Children's Film Festival Schedule

The 28th annual Chicago International Children's Film Festival (CICFF), taking place October 21-30, is the largest festival of film for children in North America. Hailed as the "Cannes for Kids," the CICFF was the first children's film festival in the world designated by the Academy of Motion Picture Arts and Sciences as an Academy Award qualifying festival! This schedule lists all of the feature-length and short films for children ages two through five.
