Sheath your sword and hop on your trusty steed in this epic film about the tribulations young men face as they strive for knighthood. Set in medieval times, a group of young apprentices must train together in the hopes of becoming full-fledged knights in the service of the king. But as tragedy threatens to envelop the kingdom, the young soldiers must face their greatest challenge yet, or risk losing everything they've fought so hard to protect. By working together you can accomplish extraordinary things!
