Broken Hill

Australia, 2009 Ages 12 to 17

Directed by Dagen Merrill

Tommy is a gifted young musician on a mission. He dreams of furthering his education and toning his musical talent at the prestigious Sydney Music Conservatory. Unfortunately for Tommy, there is little support for musical talent in his drought-ridden town in the Australian Outback. But when a youthful prank involving watermelons lands Tommy with a stint of community service, he gets one last shot at making his melodic dreams come true. With a unique orchestra, innovative instruments and his beautiful classmate by his side, Tommy sets out to prove to his father, his neighbors, and himself that he has what it takes to conduct the concert of his life. Starring Timothy Hutton, Luke Arnold and Alexa Vega.
