

Book Your Field Trip for February 2010 Black History Month!

**CINESTUDY
SPOTLIGHT**

The fun and the learning don't stop after the Chicago International Children's Film Festival (CICFF) in the Fall! The CICFF offers custom screening experiences through Facets' "CineStudy Spotlight" programming throughout the entire year.

"Proud to Be Me" : Stories of African and African-American Children

- Duration: 90 minutes (includes screening time and media education)
- Two age-appropriate levels (8-10 or 11-13) programs available.
- Films from around the world.

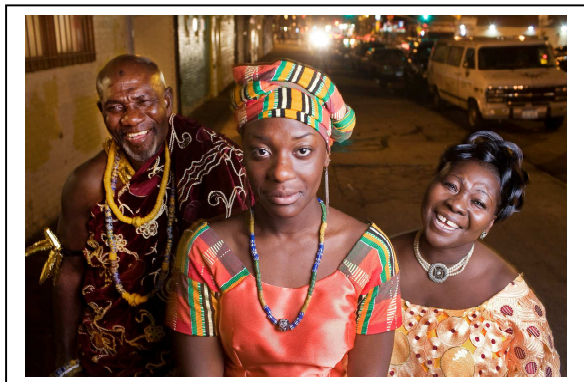

These unforgettable characters embrace their uniqueness while also reaching out to others unlike themselves. When push comes to shove, these children of color know what to do!

"African Queens"

- Duration: 100 minutes (includes screening time and media education)
- Ages 12 – 17
- Films from Ghana & the USA

If you were unable to book due to sold-out 2009 Fest screenings, now is the time to schedule!

These African heroines demonstrate fortitude and character in the face of danger and adversity. Against all opposition, they stand tall and pursue their loftiest aspirations with grace and determination.

- All screenings take place at easily-accessible Facets Multi-Media in Chicago's Lincoln Park neighborhood.
- Two screening times available: 9:45 or 11:45 AM
- Refreshment packages available \$3 (popcorn/soda)
- Only \$6 per student!
- Special in-school field trip options also available

What makes our programs outstanding?

1. Trained media educators leading pre and post-screening discussions.
2. Curriculum, written by CPS educator, aligned with Illinois Learning Standards.

No other place in the city offers an African/African American film program for students which provides positive, impactful and empowering images and messages, geared for enjoyment, enrichment – and global understanding.

Engage your students and bring the experience back to the classroom, with the most powerful medium they know.

Here's your chance to book one of the most popular programs and provide academic enrichment focused on Black History Month!
