

April is National Poetry Month

Celebrate with a Film Program for Grades 3, 4 & 5!

**"Reel Poetry" can help you meet your teaching goals
in Literacy & Language!**

Your students will celebrate the art of poetry and improve their literacy skills with this rich array of short films based on classic and contemporary poems! Supported by a special curriculum and trained teaching artists, *Reel Poetry, Jr.* gives students experience in performing and writing poetry, while also teaching them to compare and contrast written and visual imagery.

Each "reel poem" is preceded by poetry performances and followed by interactive discussions and creative exercises. This dynamic program of poetry-based short films will guide your students to discover the transformative power of literature and poetry in their own lives.

John Lithgow narrates the timeless lyric poem of "The Owl and the Pussycat," who journey to find happiness. Robert Frost's "Stopping by Woods On a Snowy Evening" is brought to life by Susan Sarandon.
