A *Cinco de Mayo* Celebration!

Celebrate Mexican Heritage & Culture
with a film field trip for ages 9-11

Teachers: Book now for May

Celebrate traditions as these characters explore their heritage in **eight short films from Mexico**. Score a goal with playful Pepe, who would rather pass the ball with friends than help the family for his sister's upcoming Quinceañera festivity. Share the experience of local children in Matamoros, Mexico, as they change adult attitudes and habits following a severe water shortage. Contemplate a poetic question through an inventive expression of Frida Kahlo's journal. Meet two unlikely best

friends: one sees with her eyes, the other with his heart. Trade traditions and create new expressions this May!

90 minute program includes Media Education.
