

## Folktales from Far-Away Lands

### Animated Short Film Program

Grades 1-3 (Ages 5-8)

95-minute program includes media education

All world language films will be screened with English subtitles read aloud for younger audiences.

What do folktales tell us about different traditions? Sisters and best friends team up to achieve their goals in a Russian tale animated with fabric. A friendly creature tries to follow a schoolboy home in an inventive pop-up book come to life. The littlest mouse is the biggest storyteller in the forest. "Happily ever after" can take many forms, so set aside some Once Upon a Time for your students to visit these new and exciting places!
