

Film Criticism Immersion Day Saturday, June 15th 1:00pm - 4:00pm

Fathers on Film: Passing Down Myth and History

Facets Multi-Media
1517 W. Fullerton Ave., Chicago
Registration fee: \$25 non-members/\$20 Facets members
"Twofer" fee: for parent & child
(Ages 11-15)

How does history become myth? How does a myth get in the way of the truth? How do myth and history work in tandem to create wonder in film? Who are classic father figures in film? And what are must-see films to pass down to the next generation?

View film trailers and clips to further explore the roles of father figures in classic film genres such as:

- Western
- Science-Fiction/Fantasy
- Historical Fiction
- Biopics
- Horror

Working in teams and through interactive exercises, father and child pairs will use their own historical event to craft a film story with mythic overtones.
