Children's Programs
No Bullies, Please!

Grades 4-5 (Ages 8-10)

Actions Speak Louder

90-minute program includes media education 

It's the day of the Science Fair and Sammy doesn't let the competition get him down - he has an alternate strategy for handling their put-downs and achieving his goal. Christi defends Eddie Lee's differences to the bully on the block, but Eddie surprises them both and opens their eyes. In private school, Daniel tries his hardest to keep the new boy down – but it's he who comes around and sets the pace at their track meet. The characters in these short films find ways of dealing with upsetting situations and not only handle the pressure – they exceed their own expectations!
