No Bullies, Please!

Grades 1-3 (Ages 5-8)

Do Unto Others

90-minute program includes media education

Bullies can be such pests! When big sister and her best friend exclude Alli from their play session, the "Little Gorilla" shows them there are lots of different ways to have fun. A young boy stands his ground against the Mean Girls who make fun of his "long-john" stocking cap, knowing he can turn to his stylish sister, who takes the high road and sets the trend in the end. And a little boy detective in Ghana teaches the big girls to include a new member in their clique. The characters in these short films find their own strong core as well as others they can rely on. Turns out, when we appreciate differences in each other and remember to include others, it makes our world get even bigger!
