Take a Stand

90-minute program includes media education 

One girl can't resist the allure of the neighborhood garage sale, even though she knows her mother is wary of their new Middle Eastern neighbors. When she makes the decision to visit, she finds they are not as different as they seem. Two outsiders who are discriminated against at work find each other and learn to celebrate their uniqueness - together. Kyle refuses to be bullied for pursuing his quirky collecting hobby. And after starting an innocent prank, eleven-year-old Johan struggles with the consequences. Facing a moral dilemma, Johan must develop the courage to do the right thing and recognize his role. Assessing your abilities and interests and recognizing the strength in our differences make it easier to take a stand!
