Teasing & Texts

90-minute program includes media education

Words can hurt as badly as blows, as these conflicting fonts demonstrate in their apartment complex. When one student chooses to write a letter to his fellow classmate, the lunchroom gossips tease – why doesn't he just text already? And in a clever mock-umentary, Hayley and Jessica analyze the ebbs and flows of popularity, and the consequences of hitting "reply all." Finally, Anni's father discovers she's been the victim of a mean name-calling text message, and she finds out that even though looking to him for the right answers will take a little practice, it's totally worth it!
