

ProPass Accreditation

Chicago International Children's Film Festival

Are you a programmer or distributor looking for new talent and innovative product?

The Chicago International Children's Film Festival's ProPass is your passport to the world's largest juried festival of films for children, youth and families. Programming 250 films from 40 countries each year, the Festival was the first Academy-award qualifying children's film festival in the world.

One of the fastest-growing areas in the film industry is programming for young people, and the Chicago International Children's Film Festival offers an unparalleled opportunity to view hundreds of new films while making direct contact with producers and directors. With over 30 years of experience, as the largest festival of children's films in North America, the Festival has the inside track on the best and brightest children's films from around the globe.

The Festival operates a small but dynamic market for foreign and U.S. distributors, buyers and festival programmers welcoming representatives from Miramax, Tribeca Film Festival, Starz!/Encore, Nickelodeon, Sesame Workshop, AMPAS, Little Airplane Productions, Museum of Modern Art (New York), the National Gallery of Art, and many other national and international film festivals and organizations. Through the ProPass program the Festival is the source of programming for scores of other children's film events worldwide.

Accreditation Benefits:

ADMISSION TO ALL SCREENINGS AND SPECIAL EVENTS – Access instant audience feedback!

- Over 10 screenings per day
- Opening Night Party
